- **Direct Deposit or ACH payment:** One direct deposit or one ACH automatic payment must post and settle to your account per monthly qualification cycle.

RATE INFORMATION

- **Preferred (below balance cap) rate:** When the Kasasa Cash qualifications are met, if your daily balance is \$25,000.00 or less, the entire balance will be paid an interest rate of 1.04% with an annual percentage yield (APY) of 1.05%.
- **Above balance cap rate:** When the Kasasa Cash qualifications are met, an interest rate of .25% will be paid only for that portion of your daily balance that is greater than \$25,000.00. The tier will range from 1.05% APY to .41% APY assuming a maximum balance of \$125,000 and blending the below balance cap rate with the above balance cap rate.
- **Base rate:** When the Kasasa Cash qualifications are not met, the entire balance in your account will be paid a .05% interest rate with a .05%APY.

Your interest rate and annual percentage yield may change at any time at the Bank's discretion.

The Annual Percentage Yield (APY) disclosed on the Kasasa Cash account assumes that the interest earned in Kasasa Cash compounds; however, by choosing to have a Kasasa Saver link to Kasasa Cash, you understand that the interest earned in your Kasasa Cash account is automatically transferred into your Kasasa Saver account at the end of the statement cycle and therefore does not remain in your Kasasa Cash account and does not compound. Additionally, you understand that the interest amount earned in the Kasasa Saver account may be less than the interest amount earned in the Kasasa Cash account. Fees may reduce earnings.

Daily balance computation method: We use the daily balance method to calculate the interest on your account. This method applies a daily periodic rate to the principal in the account each day.

Accrual of interest on noncash deposits: Interest begins to accrue on the business day you deposit noncash items (for example, checks).

Compounding and crediting frequency: Interest will compound every month and be credited to your account on the last day of your statement cycle unless you also have a Kasasa Saver account, then interest will not be compounded. Interest will be credited to your Kasasa Cash account on the last day of your statement cycle and immediately transferred to your Kasasa Saver account on the first business day of the following statement cycle.

Minimum balance to open and earn interest - You must deposit \$100.00 to open this account and maintain a minimum balance of \$.01 to earn interest.

ATM Fee Reimbursement - If you have met your qualifications for the monthly qualification cycle, we will reimburse you for domestic ATM fees imposed by our institution as well as surcharges imposed by other domestic ATM operators up to an aggregate amount of \$20.00 per monthly qualification cycle and deposit them into your account at the end of each end-of-cycle period. However, if you have a Kasasa Saver account linked to your Kasasa Cash account, any fee refunds will be deposited into your Kasasa Cash account and immediately transferred to your Kasasa Saver account on the first business day of the following statement cycle. ATM fees will be reimbursed up to a maximum of \$4.99 per single transaction. ATM fees of \$5.00 or higher will be reimbursed by presenting the ATM receipt at one of our branches. ATM transactions and transfers do not count as qualifying debit card transactions for purpose of earning rewards within this account. If you close your account, you will not receive reimbursements that have not yet been credited to your account. ATM reimbursement rate may change at the bank's discretion.

Effect of closing account - If you close your account before interest is credited, you will not receive the accrued interest or ATM fee and surcharge reimbursement.

Additional Terms - Limit one Kasasa Cash account per social security number. You will automatically qualify for the preferred rate and the ATM fee reimbursements for the first statement cycle.

Overdraft Fee Transaction Categories - The categories of transactions for which an overdraft fee may be imposed are those by any of the following: check, in-person withdrawal, ATM Withdrawal, or other electronic means.
