

Thank you for trusting InFirst Bank as your financial partner. It truly is our privilege to serve you. This is a challenging time, and while news is constantly changing, one thing remains the same, you can always count on us.

In addition to offering financial relief measures to the communities we serve, we're making sure you can connect to the financial services you need and empowering our teammates to support you any way they can. We are a proud participant in the **PA CARE Program** and the **SBA Paycheck Protection Program (PPP)**. To date, our *Commercial Banking Team* has processed 400 PPP loans for \$20 million dollars, helping to provide income for approximately 3000 employees in our market areas.
